Louisiana

# Survey Summary

From April 21, 2023 to May 5, 2023, the American Federation for Children Louisiana conducted a survey to evaluate the level of parental satisfaction with the Louisiana Scholarship Program (formally known as the Student Scholarships for Educational Excellence Program).

The Louisiana Department of Education reported 5,586 students were enrolled in the Louisiana Scholarship Program during the 2022-2023 school year. 5,582 parents who have one or more children enrolled in the program were emailed an invitation to take the survey. 1,092 parents participated in the survey, a 19.5% return rate.

## Survey Sample

This year's survey sample includes at least one survey from 113 of the 136 participating schools. Respondents attending schools in 29 of Louisiana's 64 parishes are represented in the survey sample. Of the surveys received, 15.2% are from parents of first-time scholarship recipients, with the remaining 84.8% comprised of parents of continuing students.

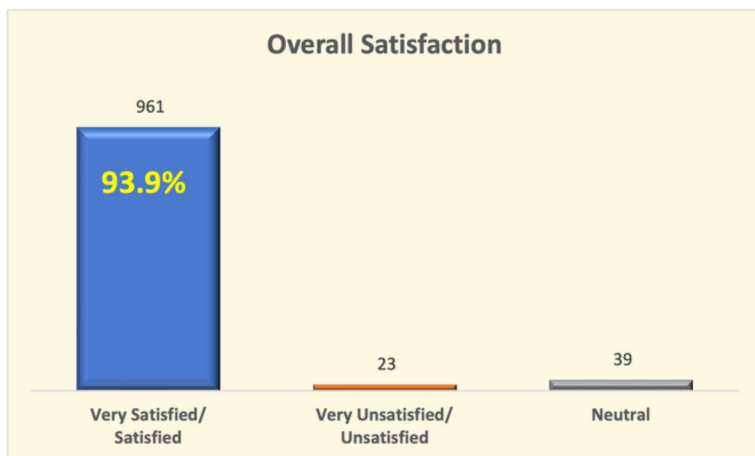

## Major Findings

- **93.9% of parents are very satisfied or satisfied with their child's current scholarship school.**
- **93.7% of parents are happy with their child's academic progress at his/her scholarship school.**
- **90.5% of parents believe their child's academic performance has improved since enrolling at his/her scholarship school.**
- **94.6% of parents say their child feels safe in his/her scholarship school.**
- **95.4% of parents say they and their children feel welcome at their child's current scholarship school.**
